## NOTES

Community Members suggested utilizing case studies for WBL curriculum.

Panel Interviews when students are ready, make sure to debrief on the interviews.

Anatomy & Physiology should be a junior year course (recommended by all).

Activities from Paris Regional Medical Center – human error, especially around pharmacy; safety on medication; dosage calculations (conversions as well), how to read equipment.

Field Trip – Split into two groups during visit; tour, specialties, activity then lunch. Jane Campbell is the point of contact.

Mrs. Norma for PJC, need to figure out lunch for college visit.

Need to look into SkillsUSA.com (also NASA angle).
