NORTH LAMAR ISD P-TECH PARENT AGREEMENT

North Lamar ISD P-TECH, in partnership with Paris Junior College, is a unique program committed to academic success. The independence and self-determination of any student in the North Lamar ISD P-TECH program only exists with the collaboration and alignment of values between parents, staff, community, and the student.

As a NLISD parent, I will adhere to the following guidelines to support my child toward success.

- I will ensure my child is in school meeting minimum attendance requirements and absent only for emergencies or illness.
- I will ensure that my child has transportation to North Lamar High School by utilizing either the bus, a ride from a parent/guardian, a ride with another student, their own vehicle, or walking/riding a bike.
- I will be actively engaged in what my child is learning, encouraging him/her to strive for knowledge including checking my child's grades on a weekly basis.
- I will provide daily time (two to three hours minimum) without other responsibilities (e.g., babysitting, housework) for my child to do homework in an environment free of distraction and support them when he/she is struggling.
- I realize it will not be practical for my student to hold an out-of-school job demanding many hours of required work.
- I will be available for meetings and information nights as needed.
- I will make certain my child gets enough sleep each night.
- I will make certain I provide internet access and my child will be required to be on-line at times to complete work and participate in activities.
- I understand as a NLISD P-TECH student my child will attend college courses which will be held at Paris Junior College when available.
- I understand as a NLISD P-TECH student my child will be exposed to college material. Although Paris Junior College professors are conscious of the age of my child, censoring will not be a part of the student's collegiate curriculum.
- I understand my child will be doing more work than a traditional high school student and may experience extra stress as a result.
- I will keep an active phone number, address, and email with the NLISD P-TECH administrators and North Lamar Middle/High School.

Lack of progress may result in my child's removal from the NLISD P-TECH program.
