- I understand as a NLISD P-TECH student my child will be exposed to college material. Although Paris Junior College professors are conscious of the age of my child, censoring will be not a part of the student's collegiate curriculum.
- I understand my child will be doing more work than a traditional high school student and may experience extra stress as a result.
- I will keep an active phone number, address, and email with the NLISD P-TECH administrators and North Lamar Middle/High School.
